

Welcome to cleaner fields and higher yields

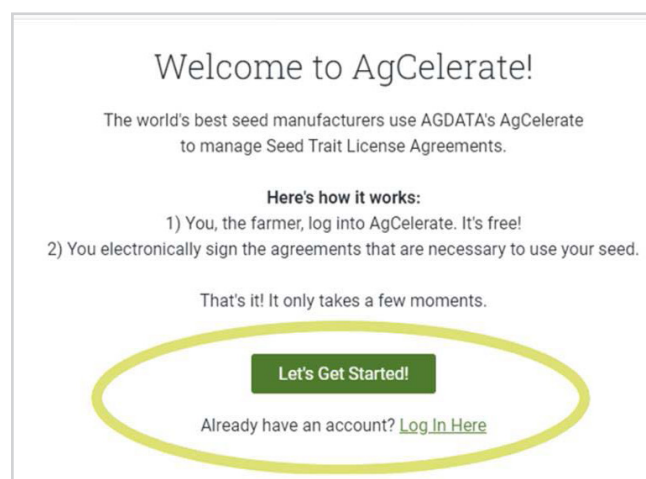

Your first step to cleaner fields and higher yields is to sign your CoAXium stewardship agreement via the AgCelerate website. AgCelerate is a one-stop shop for electronically signing and managing your technology licensing agreements. Once you register with AgCelerate, you'll be able to manage licenses for CoAXium as well as most other trait and germplasm providers. **Quick. Easy. All-Inclusive.**

Step 1 – Grower Information

Visit AgCelerate.com and click the green “Let’s Get Started!” button,

Account Set Up

- Provide either your **Email or Phone Number** – An email address is no longer required to set up an AgCelerate account, but if you wish to provide one you may do so.
Note: Once registration is complete, this piece of information (either your phone number or your email) will be used to access your account next time you want to log in. For this reason, mobile phone numbers are recommended as they will simplify the login process, but landline numbers are also acceptable. Enter your legal name.
- If the **Email or Phone Number** you provide belongs to an existing account, AgCelerate will display the account(s) information, allowing you to determine if the account is yours.
Note: If you do not remember setting up an account and wish to set up an account with the email/phone number that is already in use, please contact customer support at 866-784-4630.
- If the **Email or Phone Number** you provide does not belong to an existing account, you will be directed to the next step in the registration process: Name.
- **Name** – Fill this in with your Legal First, Middle and Last names, adding the suffix if applicable.
Note: the licenses are issued to a person, NOT a business/farm. Any businesses/farms that you need covered under your license can be added to your account once the registration process is complete.
- **Physical & Mailing Address** – Physical Address Line 1 should contain a street address in the format of: Building Number, Road name, Street suffix. Home Mailing Address Line 1 should contain either a street address or a Post Office box. Review your entries, then click the “Continue to Next Step” button.
- **Phone Number or Email** – If you provided your email in step 1, then you will be asked to provide your phone number in step 8. If you provided your phone number in step 1, then you will be asked to provide your email in step 8.
 - **Phone Number** – Mobile phone numbers are recommended as they will simplify the login process next time you need to access your account, but landline numbers are also accepted.
 - **Email** – Email is no longer a requirement to set up an AgCelerate account, but if you wish to provide one you may do so.
- **Last 4 of SSN** – This should be your personal SSN, not the Business EIN. This will be used to verify your identity before signing agreements through AgCelerate.

- **Accept the Terms of Service and Conditions of Use** – Click the checkbox and press the “Continue to Verification” button. If you wish to open and read the full Terms of Service, click the link on the lower left corner of the page.
- **ID Verification** – The last step of registration is to confirm your identity by answering a minimum of three questions related to your background.
AgCelerate does not store, share, or use any of this information—the questions are sourced and provided by a third-party credit bureau and based on the information you provided during registration. These questions enable us to verify your identity so that you are able to sign legal documents online.
- **Completion** – After you have finished answering the ID questions, you should be ready to start signing agreements.
Note: If any of the answers to the ID questions were incorrect, you will notice a red error message informing you that your ID still needs to be verified before signing agreements. Please contact our customer support team at 866-784-4630.

Step Two: Sign Your CoAXium Agreement

Once you are registered with AgCelerate, you will be directed to your **Grower Dashboard** every time you log in to AgCelerate.com. Signing your CoAXium agreement is just a few clicks away.

- **Determine which Agreements you need to sign** – Click “**Sign New Agreements**”. Based on your geographic location, only certain agreements will be visible to you. The agreements you need to sign are dependent on what seed you purchased. If you are unsure, contact your seed dealer. If you are unable to contact your dealer or determine the correct agreements, contact our customer support team at **866-784-4630**.
- **Select Agreements** – Simply click on the agreement box for each agreement you wish to sign. Once an agreement box has been selected, the border of the agreement box will be highlighted in green. Then select “**Start Signing!**”
- **Information** – A small window should appear that will ask for any additional information that may be needed based on the agreements selected. Answer the question(s) and click “**continue.**”
Note: If you do not get a popup, you may need to check if you have pop-ups or redirects blocked in your internet browser settings.
- **Signing the Agreements** – Finally there! In this step you will use DocuSign to sign the actual agreement(s). Make sure your browser will allow pop-ups and has a current PDF reader installed.
- **Please Review & Act on These Documents** – To get started, press the “**CONTINUE**” button:
- **Select Start to begin** – The agreement should now be fully visible. Click the “**START**” button in the upper right-hand corner of the document.
- **Begin Signing** – The window will automatically scroll to the first required signature. Click the box to sign the document:
- **Adopt Your Signature** – If you haven’t signed a document with DocuSign before, you may be asked to select a signature. You can draw your own or select from a list of styles. Then to continue, click “**ADOPT AND SIGN**”:
- **Sign Additional Agreements** – If you have chosen more than one agreement to sign, you should then see a “**NEXT**” button appear. Clicking “**NEXT**” will generate your next agreement; follow the same process for signing as you did for the previous agreement. Repeat this process for any additional agreements.
- **Finish** – When you are finished signing the agreement(s) you need, click the “**FINISH**” button. This should be located in the same place “**CONTINUE**” was in Step 5. You must click “**FINISH**” to send the agreement(s) off for processing. Once the button is clicked, you will be brought back to the “**Sign New Agreements**” home page.
- **Review** – To view your new license numbers, click on the “**View Signed**” Agreements tab. If your license number says ‘Processing’ please allow up to 3 business days and check back. If you haven’t received a license number after 3 days, please contact our customer support team at 866-784-4630.
