

**Few Things Are More
Damaging To A Wheat Crop
Than Downy Brome.**

At CoAXium We Get That.

Fact is, heavy infestations of Downy Brome can reduce wheat yields from 30-80 percent. You can do the math.

Profits are more than diminished. That's why so many farmers are putting their trust in CoAXium® wheat driven by Aggressor® herbicide. Aggressor consistently wipes out Downy Brome and Feral Rye too. In a choice of superior varieties that are proven to perform in all kinds of environmental conditions. So call your CoAXium dealer today. And regain control of your wheat crop.

If you suspect someone abusing the CoAXium technology call 1-855-DO RIGHT. You will remain anonymous.
