

**The last thing you want
to see in your wheat field
is Feral Rye.**

At CoAXium We Get That.

That's why our farmer inspired CoAXium® Wheat Production System was created. For farmers by farmers. And now, more farmers than ever before are enjoying peace of mind planting CoAXium seed driven by Aggressor® herbicide. We are proud to offer more than triple the number of superior varieties. Varieties that are not just winning farmers' hearts. They're winning in the field in all environmental conditions across the wheat belt. Call your CoAXium dealer today. And sleep easy knowing your fields will be protected by CoAXium wheat.

If you suspect someone abusing the CoAXium technology call 1-855-DO RIGHT. You will remain anonymous.
